Dear Mr. Schiller,

Thanks for your letter of February 20. Ed Walker handed it to me last month but I just haven't had time to get around to it until now. Please forgive me.

Radio Lumiere is a Christian Missionary Radio Station (or should I say network) which broadcasts the Gospel of Jesus Christ to approximately 94% of the 5 million people living in the country of Haiti. We broadcast in French, Creole and English. We are comprised of two studio facilities (one located in Cayes and the other in Port-au-Prince) which feeds our programming into five A.M. transmitter sites (see attached card). These transmitter sites are scattered all over the nation and are interconnected through the utilization of an F.M. Translator (relay) system which is located on top of various high mountain ranges. It's a complex system and does keep us busy. Our call letters are 4VI (660 KHZ), 4VIA (720 KHZ), 4VIE (740 KHZ), 4VU (760 KHZ) and 4VO (780 KHZ).

You asked how far we've been heard. We just received a tape a few days ago from a person in Seattle, Washington that picked up Radio Lumiere. Some skip, eh?

Thank you again so much for writing to us.

Sincerely,

Barry R. Timmons
